Ferry-Boats Jersey City and Baltimore Meet in Collision.

Ellis Island a Place of Exile Until Thomas McKean was elected a member o 10 o'Cluck.

Outgoing Vessels Feeling Their Way Down the day.

Seldom has New York been buried in so dense a fog as that which prevated this GALES IN WESTERN NEW YORK, perming. Especially was this true of the apper and lower bay and along the North and They Unroof Many Buildings and East rivers. At times it was one solid embankment that shut out objects at twenty test as completely as a stone wall.

It was more than aunoying to people living in Brooklyn, Staten Island and New Jersey, who do business in New York. It caused m much delay in getting over to the city, the loss or one life. and made the transit extremely perilous. Ferry boats all along the water front were greatly delayed; in some cases the beats street, who was miking his cows at the time, ere running three-quarters of an hour be- was caught and crusued to death under the
